

PICTOGRAM KEY SATTLER

environmentally friendly
according to ISO 14001

increased resistance to oil
and dirt stains

increased mould
resistance

folding arm awning

pergola and conservatory

sun awning

screen

sun umbrella

roller valance

basket awning

fabric

tensile strength
– horizontal threads

hydrostatic head

fabric weave

pattern orientation

colour fastness to
weathering

fabric width

weight

colour fastness to light

tensile strength
- vertical threads

water resistance

UV protection

do not pressure wash

do not retract when wet

clean with a mild soapy
solution

remove impurities regularly

Tv transmittance

Ts permeability to thermal radiation

Rs reflectance

As radiation absorption
